SERIES

POWERFUL. LIGHT WEIGHT. GREATER PRODUCTIVITY.

THE WORLD'S MOST POWERFUL BACKPACK BLOWER

Our class-leading 79.9 cc professional-grade 2-stroke engine allows the PB-9010 to produce 1,110 CFM of air volume at a speed of 220 MPH at the nozzle, which equates to 48 Newton's of blowing performance. The PB-9010 comes with an industry-leading two-year commercial warranty and five-year consumer warranty.
